EXPERIENCE

Think Together/ Los Angeles, Ca

Program leader/instructor   Oct 2020–Present
- Planned and developed a curriculum for high school students to learn web development
- Taught and managed an after school club, teaching the basics of HTML, CSS, Javascript, and browser developer tools
- Provided guidance for students to improve problem solving and coding skills

Contractor / Los Angeles, Ca

Front-end developer   Feb 2022–Present
- Collaborated within a team using Adobe XD to translate mockup files to build web pages and e-commerce sites
- Developed user interactivity features with Javascript/Typescript, React, Gatsby.js, Next.js, Tailwind CSS, to direct users to job openings, to help users better understand company culture and mission, and for easy site navigation
- Overrode Shopify templates using CSS stylesheets to develop custom visual features not provided by Shopify templates

---

VOLUNTEER EXPERIENCE

Out Boulder LGBTQ Health Directory / Boulder County, Co (Remote)

Front end developer/volunteer   Feb 2021–Jun 2022
- Collaborated with a Ux designer to improve the CSS layout and translated Figma designs to HTML and CSS
- Utilized HTML, CSS Tailwind, Javascript, and React to accelerate development of a health directory
- Utilized Git, React.js, Javascript, and Tailwind CSS to develop a web application to enable users to find medical providers
- Utilized Typescript to detect errors and reduce the likelihood of creating a bug

---
